You can access Appointment Requests via your [MyRVC Portal](#).

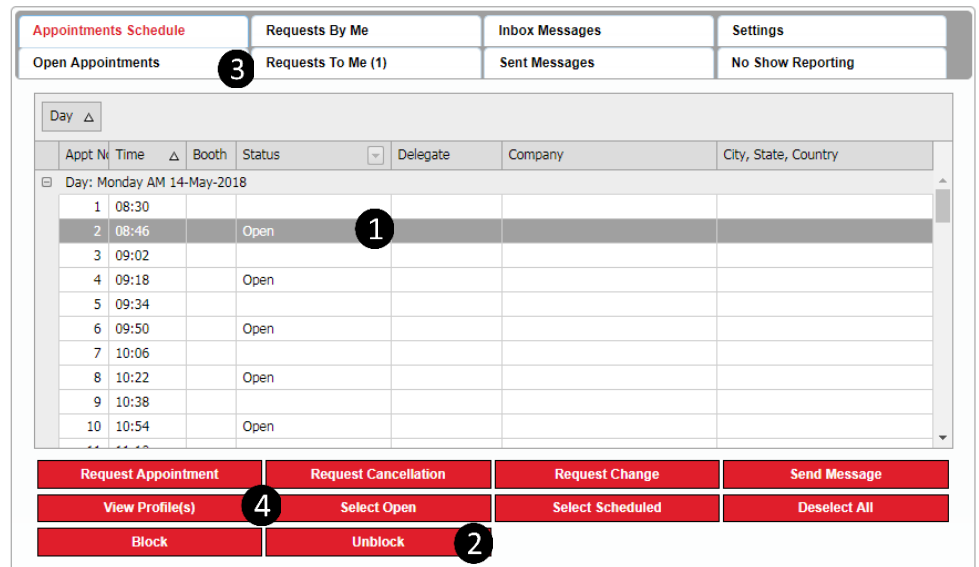

We will show how to make requests as a Seller, but the steps will be nearly the same if you are a Buyer. Differences will be noted where applicable.

*NOTE: You must be registered as an appointment-taking delegate to make requests. If you are unclear of your status, please refer to the Summary page on your MyRVC Portal.*

## Submit Your Request

The first time you make manual appointment requests, you may notice that delegates are sorted into different categories according to your appointment status with them. These categories include:

- **Requested By Me:** you have already submitted a request to meet with this delegate, and the request is pending. This request must be approved or declined by the listed delegate.
- **Scheduled:** you already have an appointment scheduled with this delegate.

## Review Requests to Meet with You

You may receive requests from other delegates to meet with you. You will be alerted to requests that require a response with a number in the **Requests To Me** tab. Click on this tab to view all requests to you, including those to which you have already responded.

In the **Requests To Me** tab, a request with a status of **Pending** requires a response from you. Click on **Action** in the **Details** column of the appropriate request to **Accept** or **Decline** the request.

- **To Accept the request:** click on the desired timeslot, then click **Accept**.
- **To Decline the request:** click **Decline**.

## Changing Your Schedule

From your **Appointments Schedule**, you can make three types of changes: Request Cancellation, Request Change, and Block/Open Appointment Slots.

- 1 **Request Cancellation:** this will send a cancellation request to the selected delegate. To request an appointment cancellation with a delegate, you can either click on the delegate name to select it, or you can hold down the **Ctrl** key and select multiple appointments. Then, click **Request Cancellation**. In the pop-up, explain the reason for the cancellation and click **Request Cancellation**. Please check back regularly to see if your request has been accepted. The appointment will automatically be cancelled and removed from the schedule of both parties if no action is taken within 24 hours.
- 2 **Request Change:** to move an appointment to a different timeslot, select the applicable appointment and click **Request Change**. If there are any other mutually available appointment times in your schedules, they will be displayed. Select the new timeslot,

add a message, and click **Request Change**. If the delegate accepts the change, your schedule will be automatically updated.

- 3 **Block/Unblock Appointment Slots:** All delegates with a full appointment schedule are automatically assigned a morning and afternoon break each day. Sellers can cancel this break and request additional appointments by selecting the blocked timeslot and clicking **Unblock**. Sellers can also choose to block open appointment slots by selecting the open timeslot and clicking **Block**.

**Note:** Buyers must receive approval from their Destination Canada representative in order to block an appointment slot.
